

Norfolk Snowsports Club Transport Policy

As an affiliated club to governing body Snowsports England (SSE), Norfolk Snowsports Club (NSC) has adopted SSE Snowsafe policies for Safeguarding Children, Young People and Adults.

SSE and NSC acknowledge our duty of care to safeguarding and promoting the welfare of children, young people and adults and are committed to ensuring safeguarding practices reflect statutory responsibilities, government guidance and complies with best practice.

Club Transport Policy

- All parents are solely responsible for the safe delivery and collection of their children (anyone aged under 18) from Norfolk Snowsport Club (NSC) activities.
- If parents arrange for other parents to deliver or collect their child, they are responsible for ensuring the safety and suitability of that travel arrangement.
- Under SSE Snowsafe guidance it is not the responsibility of NSC to arrange transport for children to or from training or events.
- Parents must not ask coaches or any club officials to transport their child to or from training or events.
- Coaches and club officials will not transport children to or from training or events (unless it is an emergency).
- If this policy prevents your child from attending competitions or events, you should discuss this with a Club Welfare Officer.

For the purposes of this policy NSC will be considered to be an organiser of the trip if any of the following apply:

- a child is representing NSC and its affiliated teams.
- a coach, committee member or official has asked members if they want to participate.
- a NSC coach will be coaching or leading the children.
- a representative of the club has emailed/contacted members asking who is interested in going on the trip using contacts obtained from the club database or from previous e-mails/contacts they have received from club officials.
